Dear Dr. Nkungu,

***Trauma: The Journey Forward; Moments of Change with Children and Adolescents
June 19, 2010***

I am pleased to inform you that the above group learning activity has been approved for Section I of the RCPSC Maintenance of Certification Program. Accordingly, participants may claim 1 credit per hour of attendance at the accredited sessions.

The following statement should appear on your program brochure, advertisements and hand-outs:

“This event is an accredited group learning activity (section I) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, approved by the Canadian Psychiatric Association.”

In your role as program planner, you will need to provide the participants with a certificate of attendance and to keep registration records that can be retrieved in the event of an audit of a participant's CPD activities by the College. You may wish to remind participants to keep a copy of the program for their own records.

I wish you the best of luck in the delivery of your program.

Regards,

Lark Miller
